Quarterly Report

March 31, 2026

To our Limited Partners:

Enclosed please find our first quarter reporting package. As always, we welcome your feedback and are happy to answer any questions you may have.

Organizational Updates

Casey Aylward has been promoted to Partner. She joined Accel in 2022 and focuses on early-stage investments in cloud-native infrastructure, open-source software, and security companies. Before Accel, she worked at Costanoa Ventures, an early-stage enterprise fund, and prior to that, she was a software engineer at Pinterest. She's from Menasha, Wisconsin, and graduated from Dartmouth College.

Ivan Zhou has been promoted to Partner. He joined Accel in 2024 and works with product-oriented, early-stage teams focused on building consumer and enterprise applications. Previously, he was the CEO and co-founder of Mayhem, an Accel and Y Combinator-backed company that built an AI-insights engine for gamers. He is from Los Angeles and graduated from UC Berkeley.

Other Updates

We will be hosting our next Accel Investor Meeting in San Francisco with a cocktail reception on the evening of November 3, followed by our meeting on November 4. A formal invitation and additional details to come shortly.

Stay Connected

To stay up to date on our activities, thought leadership, and upcoming events, please visit our [News and Insights page](#), on our [website](#), or follow us on [X](#). If you haven't already, we encourage you to [subscribe](#) to the Accel Family Newsletter for updates on all things Accel.

Don't hesitate to reach out with any questions. For anything related to the current status of Accel funds, please contact Jess Segal.

Thank you again for your continued support.

–Team Accel
