Q1 2026 Activity

Portfolio Activity:

WarrCloud, Inc. – On January 28, 2026, Fund III completed a follow-on investment in WarrCloud, Inc., at a slight premium to the Series B round led by Centana in Q4 2024.

AlphaSense, LLC – On February 4, 2026, Fund I portfolio company, AlphaSense, raised a Series F round. We are pleased with the continued strong interest in the company, driven by ongoing company growth and excitement around AI.

Eventus Systems, Inc. – On February 20, 2026, Eventus was acquired by Terminus Capital Partners. Centana played a key role in supporting the company through expense and debt restructuring, and helping to catalyze and support the complex sale process.

Striveworks, Inc. – On March 9, 2026, Striveworks completed a Series B investment. Headquartered in Austin, TX, Striveworks helps enterprises streamline the process of taking machine learning (AI) models into production and, subsequently, maintaining, monitoring, and improving those models. Striveworks' product is flexible across both on-prem and cloud-based environments, which Centana believes represents a significant opportunity to capture market share in relatively more data-sensitive industry verticals. Striveworks has helped deliver mission-critical intelligence to the United States federal government and military.

First Connect Insurance Services, LLC – On March 23, 2026, Fund II completed a payment to Hippo Insurance resulting from a contracted earnout which was part of the original First Connect investment. An additional earnout may result from revenue performance in 2026.
